

Renoir Gallery Canvas 350

■ satin 3833 - 350 g/m²

Renoir Gallery Canvas is a single-side, satin coated artistic canvas (polyester/cotton blended) with a 1:1 canvas structure for high quality graphic art applications on inkjet large format devices. This product is especially suitable for picture presentations as full color graphics, reproductions of art and photos, where the structure of the fabric is very pronounced and decorative. Due to the presence of natural components (cotton) in the base material, the surface characteristic may vary slightly.

Applications

- Indoor Signs
- Indoor Short-term Promotions
- Framed Art

Advantages

- Stiff base with visible real canvas structure
- High color brilliance for excellent portrait effect
- Excellent light stability and long lasting durability
- Waterfast inkjet coating with high ink capacity for brilliant printouts
- Optimized for framed art reproduction

Physical Properties

Test Conditions	23°C / 50% R.F.	
Weight g/m ²	350	ISO 536
Thickness μ m	475	ISO534
pH-Value - log (H ⁺)	7	DIN 53124
Whiteness W(CIE)	84	CIELAB-System

Conditions of Use and Stocking

The converting and storage should take place in a climate from 35 to 65% to relative humidity at a temperature from 10 to 30 C. Due to the natural components of the material it tends to curl when relative humidity is quite high, what can cause print head damages. Therefore we recommend to only move the material out of its original packaging when printing immediately. After the printing process remove the material back to its original packaging again. It is always recommended that cotton gloves be used when handling InkJet coated materials to avoid fingerprints.p>

The data provided in this product data sheet are values for orientation only.

Before using our print media please check their suitability for your printer and for your intended application. We do not take any liability for failures or damages resulting from technically modified printing inks and/or printers as technical specifications are subject to change.
